Mountain West Financial Successfully Continues to Grow with 2 New Retail Locations & Now Licensed in the State of Utah *Western United States Mortgage Lender Since 1990*

Mountain West Financial announced today that they are continuing to expand with the addition of 2 new branch locations during the 4th quarter of 2015 as well as now being licensed in the state of Utah. The company's headquarters is in Redlands, CA with four Regional Operations Centers throughout California. They are currently licensed in seven states in the Western United States with three additional states pending.

“It’s an exciting time for the Northern Nevada housing market as many businesses are relocating here due to our business-friendly regulations and tax advantages. Among other commitments, Tesla recently began construction on a 10 million square-foot “gigafactory” which is anticipated to bring over 6000 new well-paying jobs to the area. In partnering with Mountain West Financial I feel we have chosen the perfect partner to position ourselves to take advantage of this growth. The onboarding process was seamless and the company culture is wonderful. Every challenge we have encountered has been met with the proper support to overcome them and every tool has been provided to set us up for success. I’m extremely honored for the opportunity to be a part of the Mountain West family and we are excited to grow with them” said David Randall, Branch Manager.
