The 45 winners were carefully selected by HousingWire’s editorial board; chosen for making vital contributions to their companies, the dynamic way they are changing the industry, and their accomplishments over the last 12 months in both their companies and the industry sector they represent. “Our Vanguard winners represent an incredible cross section of the industry – the cream of the crop in lending, servicing, investing and real estate,” Magazine Editor Sarah Wheeler said. “This group of leaders exemplifies the remarkable depth of talent and expertise in the world of mortgage finance.”
